Subject: Response to QAPP review of "Characterization of Air Emissions from Open Burning at Radford Army Ammunition Plant", QLOG No. A-21434-QP10, QTRAK No. 15030,
Response to QA review Radford QT15030 03 (002).doc
QAPP Radford 09-13-2016.docx

Billy, please find attached our response and revised version to the QAPP.

This is revision "3" because previous version had been distributed to the partners for their comments.

Thank you.

Brian
